Homeownership Workshops

Financing Your Home

Hear from lenders on the different mortgage strategies that can help get you into a home. Learn all the basics - from traditional fixed rate mortgages to ARMs and FHA/VA options.

How to Buy a Home

Designed for the first-time homebuyer, you'll learn the basics on everything involved in the buying process. From working with your REALTOR® to what's involved at closing - this workshop has you covered.

How to Sell Your Home

How can you sell your home quickly and get the best price? Learn the financial side of selling your home, as well as how to make your home more attractive to potential buyers.

Using the Internet to Find a Home

In this interactive workshop, you'll learn how to use the MLS public search to find properties in Tucson. Learn at your own pace, on an individual computer, and walk away with a list of potential homes to visit with your REALTOR®!
