

On February 3rd The Tucson Association of REALTORS® Candidate and Ballot Measure Task Force met to consider three races that are occurring in the Town of Oro Valley. After 6 hours of interviews and deliberation the bipartisan committee made up of REALTOR® volunteers came to unanimous decisions in all races.

- In the race for Mayor of Oro Valley the Tucson Association of REALTORS® has endorsed **Dr. Satish Hiremath**.
- In the race for Town Council there are three open seats. The Tucson Association of REALTORS® has endorsed **Mark Finchem, Joe Hornat and Mary Snider**. Both Mary and Mark are active members of our Association.
- The last item that the Association considered was Question 1 on the ballot which is the alternate spending limit better known as “Home Rule”. The REALTORS® are encouraging everyone to vote **“YES” on Question 1** which will allow Oro Valley to retain the tax revenue that they currently collect instead of returning it to the State.
