The purpose of the MLS tour is to get your new listings exposure to active real estate licensed members with hopes that they are working with a buyer who may be interested in your listing. It is also a great tool for agents to become familiar with what's available. Please note: the majority of homes will fall in the West Tour and therefore the first West Tour after a East or South Tour will often have a lot of homes on tour (more than what you can tour in 2 1/2 hours). Keep this in mind when scheduling your listings on tour.

PROCEDURES FOR THE WEEKLY MLS TOURS

1. No monetary value incentives for homes placed on the tour. Refreshments are welcome.
2. Speaking time is limited to 30 seconds per listing.
3. No homes may be added to the Tour on Tuesday morning.
4. New construction homes shall have the cabinets installed before placing the home on Tour.
5. Non MLS related issues shall not be announced or discussed during the meeting.
6. Anyone wishing to speak about a non MLS issue shall have prior approval at least one (1) week before the meeting from the MLS Director. If the MLS Director is not available please contact the Association Executive or the current President.
7. If necessary the Tour hours may be extended.

*** Special Note: In order for your listing to appear on the tour list the tour date must be entered and uploaded prior to 2:00 P.M. Monday, the day before the tour. If Monday is a National Holiday you will need to enter and upload it prior to 2:00 P.M. the Friday before the tour.**
