

NEW FINGERPRINT CLEARANCE CARD (FCC) REQUIREMENT

Arizona Department of Real Estate (ADRE) regulations now require **a valid Fingerprint Clearance Card (FCC) for license renewal.**

The Tucson Association of REALTORS® (T.A.R.) partnered with **Arizona Livescan** to make obtaining your FCC as easy and convenient as possible through our **FCC One-Stop events** in both 2025 and 2026.

WHAT IS A FINGERPRINT CLEARANCE CARD?

A Fingerprint Clearance Card is issued by the **Arizona Department of Public Safety (AZDPS)** after your fingerprints are submitted and reviewed. ADRE uses this card as part of its process to evaluate criminal history and ensure compliance with state law.

- Once received, your FCC is valid for six (6) years.
- You can renew your FCC up to six months prior to its expiration date.
- ADRE Requires a NON-IVP with the AZ Department of Real Estate Code (ARS § 32-2108.01).
- It is the licensee's responsibility to upload their valid FCC information into their ADRE Profile.
