A Note from the YPN Chair

About Celebrity Bartending

Celebrity Bartending is our biggest event when our industry's biggest influencers come together to compete by tending bar to sell the most drinks and raise the most money for the 2021 YPN beneficiary.

The event happens in 30-minute increments when challengers go head to head serving drinks and raising money

Money is raised through bartending efforts, raffles, admission tickets, and sponsorships.

This year's beneficiary is Carefund who was selected in 2020, because of Covid the event was unable to happen and funds were not raised. We have vowed to make it up to them this year and need your help!
